## Conference Ground Rules

To ensure a seamless and enriching experience for all participants, we kindly ask for your cooperation with the following conference rules:

### Respectful Conduct:

Maintain a high standard of respect and courtesy towards fellow attendees, speakers, and organizers.

Contribute to a positive and inclusive atmosphere through your interactions.

### Punctuality:

Timeliness is crucial. Please be prompt for all sessions, lectures, and events.

Avoid disruptions during presentations and discussions and strictly adhere to the programme without exceeding your allotted time when presenting.

### Electronic Devices:

Silence or turn off mobile phones and other electronic devices during sessions.

If you need to take a call, kindly step outside to minimize disturbance.

### Dress Code:

Colleges don't seek to impose standards with which conference organisers are uncomfortable and leaves it to conference attendees to set the tone appropriate to them. However, please be aware that others may be eating in Hall at the same time, so smart wear is recommended.

### Q&A Sessions:

Engage in Q&A sessions with respect and constructive intent.

Be concise and considerate to allow as many participants as possible to contribute.

### Networking:

Utilize networking breaks to connect with fellow attendees, speakers, and organizers.

Respect personal boundaries and be mindful of creating inclusive conversations.

### Photography and Recording:

The conference and working group sessions will be captured in a hybrid format through filming and audio/video recording. Efforts will be made to avoid recording individuals who have not provided consent for the use of their image and audio. Subject to consent from those involved, the recorded sessions will be shared on the upcoming K-Peritia YouTube channel.

### Environmental Responsibility:

Help us maintain a clean and sustainable environment by disposing of waste properly.

Minimize the use of disposable items and recycle whenever possible.

Emergency Procedures:

Familiarize yourself with emergency exits and procedures.  
Follow instructions from event staff in case of any emergency.

Smoking Regulations:

To ensure the comfort and well-being of all our guests, please take note of our smoking regulations:

▪ **Indoor Areas:**

Smoking is strictly prohibited inside all buildings, including student accommodations, classrooms, libraries, and other indoor facilities.

▪ **Designated Smoking Areas:**

For those who wish to smoke, designated areas are available on campus. Look out for clearly marked signs indicating approved smoking zones.

▪ **Outdoor Spaces:**

Be aware that some outdoor areas may also have restrictions on smoking. Always check for signs or inquire about specific regulations in these spaces.

Children:

We regret that individuals under the age of 18 cannot be accommodated at the conference venues.

Disabled Access:

Please let us know if anyone has special needs so that we can discuss how we can make things as easy as possible for them.

## Getting to and from Oxford

### ***From a London Airport***

London **Heathrow International Airport**, and **Gatwick Airport** are linked to Oxford by [The Airline](#) coach, which operate 24 hours a day, seven days a week. Heathrow is the closest international airport to Oxford. Stansted Airport is linked to Oxford by the [National Express](#) 737, which services Luton Airport and runs approximately every two hours.

Buses run by [The Airline](#) leave Heathrow approximately every 30 minutes, and Gatwick every hour, and are large, comfortable coaches that allow you to sit back, relax, and watch the beautiful countryside. From Heathrow, a return ticket costs approximately £35 and takes approximately 80 minutes from terminals 1, 2, and 3, and 100 minutes from terminal 5 (for terminal 4 you will need to take the free inter-terminal train to either terminal 5 or central bus station). From Gatwick, a return ticket costs approximately £37 and takes approximately 120 minutes. The buses make a few stops once they reach Oxford, and if you're looking to get off at the main bus station, tell the driver you want to go to Gloucester Green (pronounced "Gloss-ster").

### ***From Birmingham Airport***

You can access Oxford from Birmingham airport via either train or coach. The train leaves roughly once an hour and tickets may be bought either at the station or at [trainline.com](http://trainline.com). Alternatively [National Express](#) offers a coach which connects the airport to Oxford a couple of times a day, and there are further services run by megabus and snap from the city centre.

For your security Pembroke College has CCTV monitored 24 hours per day by the Lodge staff.

Please ensure any entrance/exit doors you pass through shut completely behind you and be aware to not allow people to “tailgate” you into the College.

### **Fire Evacuation**
